

Greetings Members

December 21st was the first day of winter for the United States and the time of year when many of our down state and out of state members travel to Lakes of the North. We welcome all of you back and wish you safe travels.

We have received numerous calls regarding the pool being closed. As our facility is classified as a water park due to the slide, lazy river, and whirlpool the guidance is our facility cannot be open until the waterparks are cleared to do so. Following is the wording from the State of Michigan:

Michigan.gov

Coronavirus

Pools are open for individual exercise, but not for group fitness or unstructured play across households. Water parks are closed at this time. A limited number of people are allowed to use a pool at one time. Masks are not required while swimming. Do not wear a wet mask. Facilities are required to collect names and phone numbers of visitors to assist with contact tracing. Entry will be denied to visitors who do not share their contact information.

Our Holiday Operation Hours are as follows:

Winter Sports

As the snow continues to accumulate the grooming of the trails has begun. The construction of the ice rink is underway and will be open weather permitting. With the current Covid-19 guidelines we will unfortunately not be renting equipment and the building will not be open to public gathering.

We encourage everyone to ensure their home address, phone number and email address on the member website is current. As we turn to more electronic communications this will ensure you stay in touch and informed of the current happenings at Lakes of the North.

Kind Regards,

Jeff Kohl

General Manager

Lakes of the North Association

We wish all of you a Very Merry Christmas!
